

YADCA Ordinary Meeting 12 February 2024

Agenda Item 9.2

Christina Low Park - Renewal of Park Name Sign

From [Jason Lemberg](#)

To secretary@yadca.org, president@yadca.org

Date 2023-12-15 14:40

Good afternoon,

Council is currently in the process of designing a new park naming sign for Christina Low Park as the existing sign is due for renewal.

As part of the renewal, council is:

1. considering relocating the sign to the end of Old Cobb and Co Lane to provide better visibility to road frontage/car parking and greater visibility to pedestrian network/bridge.
2. considering incorporating the existing Heritage Trail Sign plaque on the sign.

Could you please advise of any comments or concerns with either of the proposals. Thanks

Should you like to discuss this further please don't hesitate to call.

Regards
